Lesson Summary & Feedback

Hi there,

You answered on the first call. Your steady focus and clear willingness to engage throughout our session made today's conversation very productive. During our conversation, we worked through a few errors with your prepositions so your phrases connect smoothly. We also targeted your articles to help your sentences express your thoughts even more accurately. Finally, we reviewed your verb tenses to ensure your actions and timelines are clear. You did a good job applying these corrections, and keeping up this focus will continue to strengthen your communication.

For your practice, please focus on the words "the" and "month," as well as the pronunciation of the "actual" sound in actually and the "usual" sound in usually. Continued practice with these terms will help solidify your accuracy and build greater spoken confidence. May Christ fill your heart with His perfect wisdom and bless your day with His grace.

Philippians 4:6-7 (NASB)

"Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus."
